

\$20,000,000 IN GOLD HERE FROM BRITAIN

Shipment Deposited in Assay
Office to Account of
J. P. Morgan & Co.

Gold to the amount of approximately \$20,000,000 in bars and sovereigns was deposited in the assay office yesterday to the account of J. P. Morgan & Co. This shipment was brought from England by ship and from Halifax to New York in a special train. It is the largest shipment to come in on this movement.

The assay office has been the busiest in its history during the last year, and at present contains deposits of gold bullion approximating \$35,000,000. In addition it has a big bank account with the Sub-Treasury, where more than \$150,000,000 in gold bars is stored because of the lack of space in the assay office's vaults.

One file of gold bars in the Sub-Treasury vaults, which deposit is with the assay office, measures 11x12x12 feet.

The bullion in this file is valued at more than \$100,000,000.
